

Core-Plus Mathematics (Mathematics)

Elementary School

Core-Plus Mathematics is not designed for elementary school mathematics.

Middle/High School

Core-Plus Mathematics has limited evidence of effectiveness for middle/high school mathematics. Across five qualifying studies, the weighted mean effect size was +0.11.

About Core-Plus Mathematics

Core-Plus Mathematics uses integrated mathematics curriculum that emphasizes applications and mathematical modeling, use of graphing calculators, and small-group collaborative learning through problem-based investigations.
