

## **Every Day Counts (Mathematics)**

### **Elementary School**

Every Day Counts has limited evidence of effectiveness for elementary school mathematics. The one qualifying study included in this review showed an effect size of +0.15.

### **Middle/High School**

Every Day Counts has not been assessed for middle/high school mathematics.

### **About Every Day Counts**

Every Day Counts is an interactive K-6 bulletin-board program designed to supplement ordinary math instruction with discussions about math concepts built around the calendar and other classroom routines.
