Empowering Educators with Evidence on Proven Programs

www.bestevidence.org

## **RISE (Reading)**

### **Beginning Reading**

No information available.

### **Upper Elementary School**

No information available.

### **Middle/High School**

RISE has limited evidence of effectiveness for middle/high school reading. The one qualifying study included in this review showed an effect size of +0.17.

### **About RISE**

RISE is an intervention guided by the philosophy that teachers, given time, resources, and strong professional development support, can create effective curriculum that is engaging and provides remediation for struggling adolescent readers.

### **More on this review**
