

## **TEACH (Reading)**

### **Struggling Readers**

TEACH has limited evidence of effectiveness for struggling readers. The two qualifying studies included in this review showed effect sizes of +0.19 and +0.34.

### **About TEACH**

TEACH is a one-to-one tutoring program that focuses on identifying perceptual deficits (such as delayed acquisition of spatial and temporal orientation) using an instrument called SEARCH and then providing one-to-one tutoring focused not on reading instruction, but on neurological skills.
